Consent for Services

As a condition of your treatment by this office, patients understand and agree to make payments for services as rendered, unless financial arrangements are made in advance. The practice depends upon reimbursement from patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

Patients who carry dental insurance understand that all dental services furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumption that our charges will be paid by an insurance company. Patients should understand that insurance estimation cannot be guaranteed and they will be responsible for any overages or denial of claims. Patients are ultimately responsible for understanding their insurance coverage and benefits. Patients are responsible for updating any changes in health/medications, insurance coverage, home address, phone numbers, emails, etc.

A service charge of 1½% per month (18% per annum) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied. Should balance on patient account become delinquent and result in the use of a collection agency, patient shall be responsible for agency fees and the added expense shall be placed onto patient account.

An $85.00 per hour fee will be posted to my account for any missed appointments or if I cancel with less than 24 hour notice. I understand that I am responsible for these fees.

I understand that the fee estimate listed for this dental care can only be extended for a period of six months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within five (5) days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone me at home, cell or at my work to discuss matters related to this form.
I hereby authorize payment directly to KENNERLY DENTAL GROUP for all insurance benefits otherwise payable to me for services rendered.
I authorize the doctor and/or provider or supplier of services in this office to release the information required to secure the payment of benefits. I authorize the use of this signature on all insurance submissions.

I have read the above conditions of treatment and payment and agree to their content.
